DECISION N°: LES20_D0014_All_Operations_allowed_pitlane

DATE: 28/07/2020 FROM: The Ligier European Series Committee

SUBJECT: Provisions regarding operations allowed in the pit lane

APPLICABLE REGULATION

Article 12.3 2020 Ligier European Series Sporting Regulations

DECISION

Article 12.3.3 of the Sporting Regulations of the Series is modified, further to a recommendation from the single tyre supplier, for safety reasons. A translation mistake in the French version of this article is also corrected.

Article 12.3.4 is amended to correct a translation mistake from the French version.

12.3.3 Operations and people allowed during a pit stop

(...)

Allowed personnel	Function	Further requirements
2 mechanics	Cleaning operations allowed; Wheel change allowed in conformity with Article 12.5; Driver change assistance allowed; Tyre temperature and tyre pressure management (air may not be added); No other operation allowed.	Allowed in the working area only after the car has stopped in front of its garage.

The following sentence is also deleted from the French version of the above table (as per Stwards Bulletin n1 of the Le Castellet Competition):

~~Autorisé dans la zone de travail avant que la voiture arrive et s'arrête devant son stand et jusqu'à ce que la voiture quitte la zone.~~

12.3.4 Prohibited mechanical changes

During the race, on pain of disqualification of the car, it is prohibited to perform any mechanical intervention on the car. **Only** bodywork **and tyre** changes ~~included,~~ **are allowed** in the pitlane.

Any intervention on the car must be carried out under the Competitor's awning.

Any decision taken by the Ligier European Series Committee is not subject to appeal.
