LIGIER EUROPEAN SERIES Spa - Francorchamps Heat (BEL) 21st - 24rd AUGUST 2025

Decision no. 12

From: The Stewards
To: IRON LYNX

Date: 22 August 2025
Time: 12:46

The Stewards, having received a report from the Technical Delegate heard from the Competitors' Representative and have considered the following matter, determine a breach of the regulations has been committed by the competitor named below and impose the penalty referred to.

N° / Competitor: 60 / IRON LYNX [IRON LYNX BY MRACING]
Session: Initial Scrutineering
Time (fact): 17:34 (21 Aug 2025)
Fact: Alleged Late Tyre Declarations
Offence: Alleged Breach of Article 6.5.1 LES Sporting Regulations
Decision: No further action.
Reason: During the hearing, the Competitor mentioned that they responded to an inquiry from the Technical Delegate and as such provided a list of carry-over tyres on the request of the Technical Delegate. The competitor confirmed that they provided this information on 21st August at 17:34 to the Technical Delegate.

As per the LES Sporting Regulations, it is the Tyre Manufacturer that has to declare a list of all tyre references to the Technical Delegate and this has to be done at least 48 hours before the start of the competition. While the Competitor's support in supplying accurate and timely information to the Tyre Manufacturer is an essential part of this process, the regulation clearly assigns the obligation of communication directly to the Tyre Manufacturer.

On this basis, the Stewards do not consider that a breach has been committed by the Competitor in this matter and therefore take no further action.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
