LIGIER EUROPEAN SERIES Silverstone Heat (GBR) 11 - 13 SEPTEMBER 2025

Decision no. 9

From: The Stewards
To: 360 COMPETITION

Date: 12 September 2025
Time: 12:07

The Stewards, having received a report from the Technical Delegate (Report 3), heard from the Competitors' Representative and having considered the following matter, determine the following:

N° / Competitor: 33 / 360 COMPETITION
Session: Free Practice 1
Time (fact): 10:05
Fact: Car 33 used four tyres in FP1 that had allegedly not been declared.
Offence: Alleged breach of Article 6.5.1 of LES Sporting Regulations
Decision: No further action.
Reason: The Stewards summoned and heard the team representative (document 20).

During the hearing, the Competitor mentioned that they sent an email to the Tyre Manufacturer on the 5th of September 2025 at 10:51 providing a list of tyres to be declared for the LES Silverstone meeting. The competitor confirmed that they provided this information using the same process as the previous LES meetings.

As per the LES Sporting Regulations, it is the Tyre Manufacturer that has to declare a list of all tyre references to the Technical Delegate and this has to be done at least 48 hours before the start of the competition. While the Competitor's support in supplying accurate and timely information to the Tyre Manufacturer is an essential part of this process, the regulation clearly assigns the obligation of communication directly to the Tyre Manufacturer.

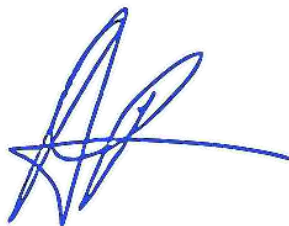

There appears to have been a communication problem between the Competitor and the Tyre Manufacturer, explaining the absence of the tyre references in the list sent to the Technical Delegate for this event.

On this basis, the Stewards do not consider that a breach has not been committed by the Competitor in this matter and therefore take no further action.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
