LIGIER EUROPEAN SERIES Silverstone Heat (GBR) 11 - 13 SEPTEMBER 2025

Decision no. 12

From: The Stewards
To: IRON LYNX

Date: 12 September 2025
Time: 17:46

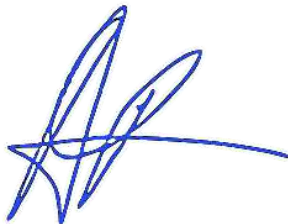

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

N° / Driver: 60 / Nathan Bihel
Competitor: IRON LYNX [IRON LYNX BY MRACING]
Session: Qualifying 2
Time (fact): 16:18
Fact: Car 60 (Bihel) was alleged to have committed an unsafe release at the start of Q2.
Offence: Alleged breach of Article 12.2.2
Decision: No further action.
Reason: The Stewards examined video evidence. Having considered the matter extensively, the Stewards determine that Car 60 moved forward from their box into the fast lane but could not fully join the line at the exit because Car 6 was already directly in front of the box. When the pit lane opened Car 60 moved forward to take their position in the train waiting at the pit exit, so was not released unsafely and therefore no further action is taken.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
