LIGIER EUROPEAN SERIES

Le Mans Heat

6 - 7 JUNE 2026

Decision no. 9

From: The Stewards
To: ASM MOTORSPORT

Date: 7 June 2026
Time: 12:47

The Stewards, having received a report from the Technical Delegate (Tech Document N° 02), heard from the Competitors' Representative, have considered the following matter, determine the following:

N° / Competitor: 12 / ASM MOTORSPORT

Session: Post Qualifying Scrutineering

Time (fact): 10:34

Fact: External main breaker not working.

Offence: Breach of Article 253-13 of Appendix J to the FIA International Sporting Code

Decision: Disqualification of Car 12 from the results of Qualifying Session.

Reason: The Stewards examined the Technical Delegate Report (Technical Document N°02), heard from the Team Representative of ASM Motorsport as well as from the Technical Delegate and determined the following.

During post-qualifying scrutineering, a functionality test of the external main breaker was carried out by a team member in the presence of the Technical Delegate. During this test, the external main breaker failed to function as required.

Article 253-13 of Appendix J to the FIA International Sporting Code requires that the general circuit breaker must cut all electrical circuits and must also stop the engine. The external triggering system is a mandatory safety device.

Having considered the matter extensively, the Stewards determine that an external main breaker which is not functioning cannot be considered compliant with the requirements of Article 253-13 of Appendix J.

The Stewards therefore determine that Car 12 was not in conformity with the applicable technical regulations during Qualifying and impose the above penalty accordingly.

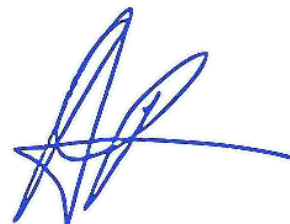

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
