Decision no. 19

From: The Stewards
To: M RACING

Date: 7 June 2026
Time: 18:45

The Stewards, having received a report from the Technical Delegate (Tech Document N° 06), summoned and heard from the Competitor's Representative, have considered the following matter, determine the following:

N° / Competitor: 53 / M RACING
Session: Post Race Scrutineering
Time (fact): 16:52
Fact: The car 53 did not meet the minimum car weight requirement
Offence: Breach of Article 4.2 of 2026 LES Technical Regulations
Decision: Disqualification of Car 53 from the results of Race.
Reason: The Stewards examined the Technical Delegate Report (Technical Document N°06) and heard from the Team Representative of M Racing and determined the following. During post-race scrutineering, the car was inspected and weighed several times. According to the prescriptions in the technical regulations, it was weighed without fuel and driver on board. Team members attended the fuel drain as well as the weighting procedure.

Measurement on the scrutineering's scales: 1051.1kg/ 1050.9 kg / 1051.1 kg

The minimum weight stipulated in the Homologation form N° 009 CdM GT / ext :08/03ER is 1055 Kg . The tolerance of the weighbridge is +/- 1.2Kg in total.

The Stewards therefore determine that Car 53 was not in conformity with the applicable technical regulations during the race and impose the above penalty accordingly

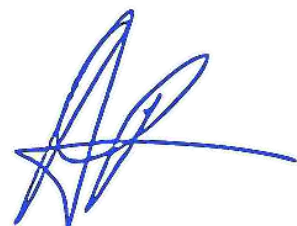

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
