LIGIER EUROPEAN SERIES Spa - Francorchamps Heat (BEL) 19 - 23 AUGUST 2026

Decision no. 10

From: The Stewards
To: LR DYNAMIC EVENTS

Date: 21 August 2026
Time: 14:43

The Stewards, having received a report from the LES Race Director, having examined video evidence, have considered the following matter, determine the following:

N° / Driver: 3 / Andrea FRIZZA
Competitor: LR DYNAMIC EVENTS [LR MOTORSPORT]
Session: Free Practice 2
Time (fact): 13:56
Fact: Car 3 (Frizza) left the pit lane when the red light was illuminated.
Offence: Breach of Appendix L Chapter IV Article 6 b of International Sporting Code
Decision: Stop and Go Penalty +2 minutes to be served at the next free practice in which the driver participates. In addition, 1 point deducted (balance of 6 for the 2026 season).
Reason: The Stewards summoned and heard the driver and team representative (document 24).

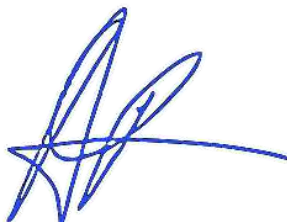

The driver of Car 3 acknowledged failing to pay attention to the pit exit lights as he exited the pit, despite the light being red. The team manager explained that the car was released when the red flag procedure had not commenced and therefore there was insufficient time to inform the driver before he reached the pit exit. The driver was subsequently reminded of the critical safety aspect of the red flag procedure particularly at pit exit.

Given these factors, the Stewards determined that they were no mitigating circumstances and constituted a safety concern. Consequently, the penalty stipulated above was imposed.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
