Decision no. 35

From: The Stewards
To: LR DYNAMIC EVENTS

Date: 22 August 2026
Time: 20:38

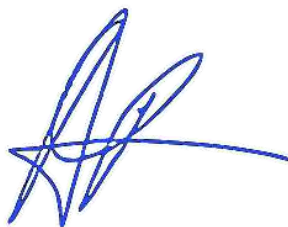

The Stewards, having received a report from the Race Director heard from the Competitors' Representative and the Driver concerned, have considered the following matter, determine a breach of the regulations has been committed by the competitor named below and impose the penalty referred to.

N° / Driver: 81 / Simone BIANCO
Competitor: LR DYNAMIC EVENTS [LR MOTORSPORT]
Session: Race 1
Time (fact): 15:08
Fact: Car 81 (Bianco) made contact with Car 83 (Lambert) at Turn 7.
Offence: Breach of Appendix L Chapter IV Article 2 d of International Sporting Code
Decision: Drive through penalty converted to 25 seconds to be added to the total race time.
Reason: The Stewards summoned and heard the drivers and team representatives (documents 56 & 57). After having reviewed the video evidence and the onboard of Car 81, the Stewards determined that at the entrance of Turn 7, Car 81 collided with the side of the Car 83 which was pushed out of the track and went into the gravel bed and lost positions. Therefore, the Stewards considered that the driver of Car 81 was fully responsible for the collision with Car 83. Having considered the matter extensively and consulted the driver advisor, the Stewards decided to impose a drive-through penalty.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
